

Meet the Ponies

Sweetberry

Sweetberry will make you a cake or a sundae.

It doesn't matter if it's Tuesday or Monday.

She loves to make things, especially sweets.

She often comes up with the yummiest treats.

Her creations don't always turn out quite right,
but when they do, they are out-of-sight!

Sparkleworks

Sparkleworks knows you can always be more,
if you only let your imagination soar.

She says if you set your mind on something new,
there isn't a thing that you can't do.

She thinks challenges are a lot of fun,
since they bring out the best in everyone.

Cutie Mark

Minty

Minty sees things from her own point of view.

In everything old, she brings out the new.

Her friends say her logic is a bit upside down,

but she'll make you smile

when you're wearing a frown.

She has a mint green body and

pink-and-white locks.

She loves to collect things—especially socks!

Kimono

Kimono is a pony who is very wise.
Each story she tells holds a special surprise.

She may be serious for most of the day,
but this quiet pony also loves to play.

Hopscotch is her favorite game.
Visit her—she'll be glad you came!

Pinkie Pie

You'll know Pinkie Pie by her pink-and-white hair.

If you need a friend, she'll
always be there.

This little pony is as curious as can be.
Hear all her questions and you're sure to agree.

She's always asking,
"How?" "Why?" and "Who?"
But you'll make her jump if you shout, "Boo!"

Sunny Daze

When you meet Sunny Daze,
you'll know right away—
you've made a new friend that loves to play.

She'll invent a game you've never seen,
where you can be a princess or a queen.
She loves performing tricks and having fun.
She's bursting with energy, like the shining sun.

Cutie Mark

Wysteria

Wysteria is as sweet as pie.

Though she may seem to be very shy,
she really loves to laugh and play—
she just shows it in a quieter way.

She loves gooey marshmallows
and beautiful flowers,
and can listen to pony tales
for hours and hours.

Rainbow Dash

Rainbow Dash loves to ride on rainbows.
She's an adventurous pony, everyone knows.

She always believes that bigger is better.
She'll try anything if only you let her.
If she hasn't done it, it's never been done—
that's what makes Rainbow Dash so much fun!
